BATHTUB

A modern, white, freestanding bathtub is the central focus of the image. It is set against a wall of large, dark, square tiles. A chrome faucet is mounted on the back of the tub. A towel with a grey and white chevron pattern is draped over the left side of the tub. The floor is also made of dark tiles. To the right, a white rectangular object, possibly a sink or a shelf, is partially visible. The lighting is soft, creating a clean and minimalist aesthetic.
